WHAT IS A COOKIE

We use various technologies on our site to collect information that helps us improve your online experience. We refer to these technologies which include cookies, collectively as “**cookies**”. This Cookie Policy explains the different types of cookies used on our site and how you can control them.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your device. Cookies are widely used throughout the Internet in order to make sites or other online services work or to be better or more efficient. They can do this because sites and other online services can read and write to the cookies stored on your device, enabling them to recognise you and remember important information that will make your use of them more convenience, for example, by remembering your preferences, username, or showing you pages that you seemed to have a particular interest in.

If you consent to us storing cookies on your computer or other electronic device then you agree that we can store and access cookies as described in this policy.

HOW YOU CONSENT TO US PLACING COOKIES

When you visit our site you should see a pop-up at the top of your screen directing you to this Cookie Policy and our Privacy Policy.

By clicking or selecting the “**I Agree**” button that appears in the pop-up then you are demonstrating to us that you are freely giving us informed and specific consent for us to place cookies on your device for the purposes specified in this Cookie Policy and you are accepting and consenting to the practices described.

If you **do not** click or select the “**I Agree**” button that appears in the pop-up then we will not place cookies on your device.

The duration of each cookie that we may place on your computer can be found in our Retention Policy.

If you **do not** see a pop-up then you may have already accepted our Cookie Policy and our Privacy Policy. You may also be using a pop-up blocker or similar tools that may prevent this policy from being brought to your attention. Please ensure that any pop-up blockers are disabled when you use our site. If you’re unsure then scroll down to the bottom of this page where we explain how you can manage your cookies.
